 - If the number of exchange/visiting students who have selected a specific course (e.g. WORLD ECONOMY AND BUSINESS) during the 'Preferred Course Listing' period is equal to or below the number of quota available to exchange/visiting students, the course will be automatically registered (The quota for exchange/visiting students is usually 25% of total enrollment in each class).

However, courses are subject to change every semester and we cannot guarantee their availability. Students are responsible for making a backup plan for their course plan.**
 - KU cannot recommend or find a course for individual students in principle of fairness. It is student's responsibility to make a backup plan when they make their course plan.
