

EXTREME is hiring | Creative Content Producer, Global Team

Entry-level & experienced | Team member | Portfolio required

Position	Creative Content Producer, Global Team
Level	Team member (entry-level and experienced welcome)
What you'll do	• Plan, produce and edit image and short-form video ad creatives for overseas performance marketing • Find marketing angles that fit each global channel (Meta, TikTok, Google, etc.) and each regional market • Work with performance marketers to analyze creative results and build variations for A/B tests • Create thumbnails, main banners and product detail page visuals for global marketplaces (Amazon, Shopee, etc.) • Benchmark the latest short-form trends in global beauty and supplements and study what makes a strong hook
Requirements	• Entry-level and experienced candidates welcome • Proficiency in at least one of Photoshop, Illustrator, Premiere or After Effects • Understanding of performance metrics such as CTR and CVR, and interest in improving creatives based on data • Ability to write or review English marketing copy and subtitles
Nice to have	• Hands-on experience producing image or video content for global marketing (internships count) • Experience creating marketing assets for overseas beauty or supplement brands • Deep understanding of TikTok and Instagram Reels trends; running your own short-form channel is a plus • Efficient content production with CapCut or AI tools (Midjourney, Runway, etc.) • Experience planning UGC creator campaigns and writing creator guides
Portfolio	Required. School projects, competition entries and personal work are welcome.
Details	• Location: 3F, 727 Eonju-ro, Gangnam-gu, Seoul • Employment type: Internship / Full-time • Salary: From KRW 28,000,000 per year for entry-level (negotiable based on skills) / negotiable for experienced candidates
Process	Application review → 1st interview → Final offer
Deadline	Open until filled (rolling basis)
How to apply	Email hr@extreme.co.kr (Subject: [Apply/Content Producer]_Your name)
Visa	Holders of visas with work eligibility (F-2, F-4, F-5, F-6, etc.) are preferred. For other visa types (D-10, etc.), internship hiring and conversion to an E-7 visa can be discussed. If you are not a Korean citizen, please include your current visa type and its expiry date on your resume.

EXTREME is hiring | Overseas Marketer (English-speaking Markets)

Entry-level & experienced | Team member | Portfolio optional

Position	Overseas Marketer (English-speaking Markets: US, UK and others)
Level	Team member (entry-level and experienced welcome)
What you'll do	• Find and reach out to influencers and creators in English-speaking markets, and run seeding and collaborations • Plan content for our brand's own channels (Instagram, TikTok) and manage them • Benchmark English-speaking social trends and content to come up with ideas and marketing angles • Track how influencer and owned-channel content performs, and improve it
Requirements	• Entry-level and experienced candidates welcome • Strong understanding of English-speaking consumers and social content trends • Familiarity with Instagram, TikTok and other global social platforms • Able to communicate with influencers and review content in English
Nice to have	• Hands-on overseas marketing experience (internships count) • Experience working with influencers or creators • Experience with beauty or supplement brands, or knowledge of those markets • Strong grasp of TikTok and Reels trends; running your own social account is a plus • Experience using performance data to shape content direction • Comfortable with CapCut, Photoshop or AI content tools
Portfolio	Optional but a plus. Your own social accounts or campaign plans are welcome.
